STATEMENT UNDER 37 CFR §1.97 and  
§1.98

Mail Stop: Amendment  
Commissioner for Patents  
PO Box 1450  
Alexandria, VA 22313-1450

Sir:

The references cited on attached form PTO/SB/08A are being called to the attention of the Examiner. Copies of the references are enclosed.

It is respectfully requested that the cited references be expressly considered during the prosecution of this application, and the references be made of record therein and appear among the "references cited" on any patent to issue therefrom.

As provided for by 37 CFR 1.97(g) and (h), no inference should be made that the information and references cited are prior art merely because they are in this statement and no representation is being made that a search has been conducted or that this statement encompasses all the possible relevant information.

As to the cited patent applications (references AU-BC) only the published application (where applicable) claims and (original, pending or latest version) are attached per MPEP §609 in the interest of conciseness. Applicants have been informed by the USPTO (Edith Buffalow, Inventor Assistant Specialist) that, in view of storage space constraints, the USPTO would like applicants to avoid the paper mailing of complete file histories in IDS submissions. While applicants submit the partial contents of several patent applications, applicants respectfully request consideration of the entire file histories of the cited patent applications, which are believed to be readily accessible via the ePhoenix file history electronic database (See O.G. Notice, 17 June 2003).

Applicants believe that a fee is required for submission of this statement, enclosed is our check for \$180.00. The Commissioner is authorized to deduct such fee from the undersigned's Deposit Account No. 50-0289. Please deduct any additional fees from, or credit any overpayment to, the above-noted Deposit Account.

Respectfully submitted,

George S. Blasiak
